

Joining Together Making A Difference

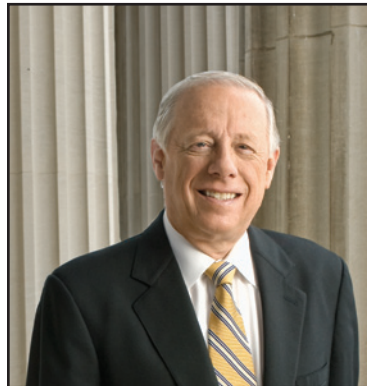

Tennessee Employees
Charitable Campaign

2009

A Letter from Governor Bredezen

I am honored to serve as Chair of the 2009 Tennessee Employees Charitable Campaign and to extend my support to this year's campaign.

During the 2008 campaign, 5,482 state employees pledged \$562,117 in donations to participating charitable organizations. I recognize state employees, like other Tennesseans, may be facing financial pressures. Nonetheless, state employees continue to exhibit their generosity through support of this annual campaign.

Fortunately, many of the Tennesseans who are experiencing hardship may find it eased in part by assistance from a charitable organization. As you consider your participation in this year's campaign, please remember your fellow Tennesseans, who may need your generosity now more than ever. A donation to one of this year's participating charities may help provide needed assistance in the areas of health or medical research, human services, or social and environmental issues. Please consider continuing the Tennessee spirit of volunteerism by making a donation.

You can participate in the campaign by making a one-time donation or a monthly donation in the amount of your choice. Another way to contribute is the "Buck-A-Week" program. If every state employee who did not participate in last year's campaign considered the "Buck-A-Week" option outlined on the pledge form, our combined generosity would provide more than \$2,000,000 in donations to these worthy charities.

The 2009 Tennessee Employees Charitable Campaign begins October 19, 2009, and extends through November 13, 2009. I hope that you will join me in continuing to support this campaign. We can represent our proud heritage and reach out to improve our communities in powerful ways by "Joining Together – Making A Difference."

Warmest regards,

Does my dollar a week really make a difference?

Yes! If you'd like to help make Tennessee a better place to live, then giving a **Buck-A-Week** can make an extraordinary difference in our community covering many areas of need. Here are a few examples of the wonderful things your dollars can do:

\$1 a week provides 1 high school student the opportunity to strengthen research, leadership and public speaking skills. **\$1 a week** can provide 1 hospital visit for a sick child. **\$1 a week** provides speech and hearing screening services for 2-3 people. **\$1 a week** provides 3 meals a week for a foster cat awaiting a new home. **\$1 a week** covers the cost of one uninsured patient's return visit. **\$1 a week** provides disaster relief training for 18 volunteers. **\$1 a week** provides 11 all-day bus passes for transport to work or required meetings for a formerly homeless woman. **\$1 a week** will provide training and competition for a special athlete all year. **\$1 a week** provides emergency food for 5 families. **\$1 a week** provides a support group meeting for up to 10 breast cancer survivors.

Please consider giving a **Buck-A-Week** through payroll deduction and help us change the lives of millions of Tennesseans.

Community Health Charities improves the lives of people affected by a disability or chronic disease by uniting caring donors in the workplace with our nation's most trusted health charities.

You or someone you know has health problems and needs help.

The need is urgent -125 million Americans face a life-threatening health condition, chronic disease or disability. These charities serve as a vital lifeline to those suffering from diabetes, heart disease, cancer, liver disease, kidney disease, autism, lupus, multiple sclerosis and many others just as devastating as these.

Everyone deserves opportunities to have a good life: a quality education that leads to a stable job, enough income to support a family through retirement, and good health. That's why United Way's work is focused on the building blocks for a good life: 1) Education – helping children and youth achieve their potential, 2) Income – promoting financial stability and independence, and 3) Health – improving people's health. United Way's goal is to create long-lasting changes by addressing the underlying causes of these problems. "Living United" means being a part of the change. It takes everyone in the community working together to create a brighter future. Give. Advocate. Volunteer. LIVE UNITED.
